Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat the oven to 200°C/180°C fan. Lightly grease a 23 x 33cm / 9 x 13" metal pan with **butter**. Line with paper with overhang (so you can lift it out later). Grate the large **zucchini** using a box grater. Toss with the **salt** then set aside for 20 minutes. Grab handfuls and squeeze out excess liquid. You should have 2 very tightly packed cups. Set aside.

2. Prep

Finely slice the **small zucchini** however you want, to decorate the top of the bread. Cut the **zucchini** in half then into long strips. Thin coins is also nice. Toss with the oil and **pepper**.

3. Prep

In a large bowl, whisk the dry ingredients; **flour**, **baking powder**, **baking soda**, **salt**, **pepper**. Make a well in the centre. Whisk the wet ingredients in a separate bowl until combined. Pour the Wet into the Dry ingredients. Mix using a wooden spoon until the **flour** is mostly incorporated but there's still **flour** visible.

4. Mix

Add **zucchini** and **cheese** then mix through. Some **flour** lumps is fine. Minimise mixing else the crumb will be tough. The batter will be thick – the **zucchini** will sweat more in the oven. Scrape into the prepared pan and smooth the surface. Top with the **zucchini** slices.

5. Bake

Bake for 40 minutes or until a skewer inserted in the middle comes out clean. Cool in the pan for 10 min, then carefully remove onto a board or cooling rack.

6. Serve

Cut into pieces, serve.

1. Prep and bake

Preheat the oven to 220°C/200°C fan. Scrub the **potatoes** clean. Cut the **potatoes** (skin on) and **eggplants** into 1 cm slices. Add the **eggplant slices** onto a lined oven tray. Top with the **potato slices**. Drizzle generously with **olive oil** and sprinkle generously with **salt**. Bake for 25-30 min.

2. Prep

Meanwhile, peel and chop the **onion**. Peel and mince the **garlic**.

3. Fry beef

Heat a large non-stick pan over a medium high heat with a drizzle of **oil**. Once hot, add the **beef mince** and the **onion**, and fry for 5-7 min until browned. Add the **garlic**, **tomato paste**, the **measured water**, **cumin powder**, **paprika powder**, **cinnamon powder**, **oregano**, **salt** and **pepper**. Fry for a final 1-2 min.

Add the **ginger garlic paste**, **gochujang paste** (spicy!), **soy sauce**, **brown sugar**, **sesame seeds**, pinch of **chilli flakes** and a splash of **water**. Fry for 2-3 min further until well combined and desired sauciness is achieved.

Tip! Sensitive to spice? Go easy on the gochujang paste and chilli flakes.

5. Add vegetables

Add the **vegetables** and half of the **spring onion** (reserve the rest for garnish) to the pan and fry for a final 1 min, giving everything a good toss.

6. Serve

Divide the cooked **jasmine rice** and top with the **beef mince** and **vegetable stir-fry**. Garnish with the remaining **spring onion**.

Vegetable oil, Olive oil, Salt & Black Pepper

Ingredients

for 4 servings

Steaks	
Sirloin steak	800 Grams
Vegetable oil	2 Tbsp
Salt	1 Tsp
Black pepper	1 Tsp

Salad	
Romaine lettuce	400 Grams
Red apple	2 Piece
Walnuts 2*	60 Grams
Feta cheese 4*	100 Grams

Dressing	
Onion powder	4 Grams
Olive oil	4 Tbsp
White balsamic vinegar 14*	30 ML
Dijon mustard 13*	12 Grams
Honey	30 Grams
Salt	1 Tsp
Black pepper	0.5 Tsp

Allergens: *2 Tree Nuts, *4 Milk, *14 Sulphur Dioxide, *13 Mustard

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Remove the **steaks** from the fridge 20-30 min prior to cooking. This will allow them to reach room temperature. Roughly chop the **Romaine lettuce**. Halve the **apples**, remove the stem and core and slice them thinly.

2. Mix dressing

Add the **olive oil**, **onion powder**, **white balsamic vinegar**, **Dijon mustard**, **honey**, **salt** and **pepper**. Whisk and set aside - this is your **dressing**.

3. Toast walnuts

Lightly toast the **walnuts** in a hot, dry pan. Transfer them to a chopping board to cool. Wipe the pan and reserve.

4. Fry steaks

Pat the **steaks** dry with kitchen paper. Return the pan with a drizzle of **oil** over a high heat. Once hot, add the **steaks**. Fry for 2-4 min on each side or until cooked to your liking. Transfer the **steaks** to a plate and leave them to rest for 5-10 min. Once rested, season generously with **salt** and **pepper**.

Tip! The resting of the steak is as important as the frying of the steak. It sets the meat's juices and allows the fibers to relax, leaving the end result more tender and your plate less messy.

5. Serve

Toss the **Romaine lettuce**, **apples** and **walnuts** in the **dressing**. Crumble the **feta cheese** over the top. Divide the **salad** among plates. Slice the rested **steaks** finely and serve it over the **salad**.

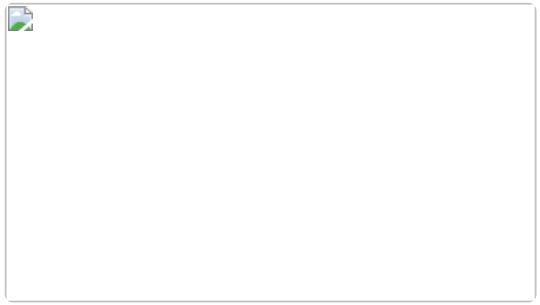
1. Bake sausages

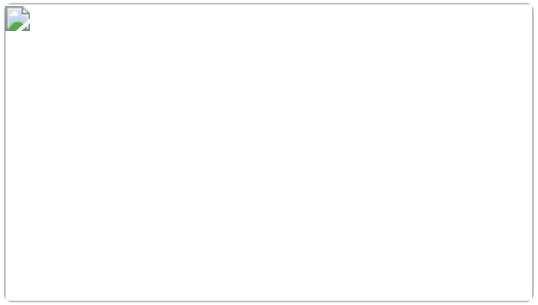
Preheat the oven to 180C. Place the **sausages** into an oven proof baking dish with a generous drizzle of **oil**. Bake in the oven for 10-12 min, or until slightly browned.

2. Make batter



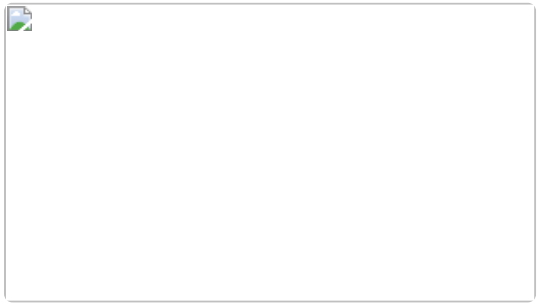
Meanwhile, in a bowl combine the **flour** and **eggs**. Once mixed, slowly whisk in the **milk** until a smooth batter is formed. Season with a generous pinch of **salt** and **black pepper**. Transfer the batter to a jug and set aside.

3. Cook batter



Turn the heat up on the oven to 200/210C. Remove the baking dish from the oven. Carefully pour the batter around the **sausages** (being extra careful as the **oil** will be hot). Return the baking dish to the oven and bake for 20-25 min, until the batter has risen and is crispy.

Tip! Don't open the oven for at least the first 15 min of baking, as this may cause the batter not collapse.



4. Gravy

- Bring to a boil.
- Cover with a lid, reduce the heat to low and simmer for 15 min or until the liquid is absorbed and the **quinoa** is tender.

2. Prep vegetables

- Meanwhile, slice the **gem lettuce** to thin strips.
- Chop the **cherry tomatoes**.
- Finely slice the **green chilli (spicy!)**.

Tip! Some chillies are spicier than others! To check how spicy yours are, slice one in half, touch your finger to the cut, then touch your finger to your lips. Adjust the amount accordingly!

1. Prep

Preheat the oven to 220°C/200°C fan. Remove the **pizza dough** from the fridge 15-20 min prior to baking. Deseed and slice the **red pepper** into strips. Clean the **mushrooms** with a cloth, knife, or brush (don't wash them with water), and thinly slice them. Peel and slice the **onions**. Peel and finely chop the **garlic**.

Tip! If you have a pizza stone, preheat it in the oven before baking your pizza on it.

2. Fry veg

Heat a non-stick pan over a medium-high heat with a drizzle of **olive oil**. Once hot, add the **onions**, **garlic**, **red pepper**, and **mushrooms** with a pinch of **salt** and **pepper**, and cook for 5 min until softened.

Tip! Frying the veggies first helps evaporate most of the water content, and ensures a crispier crust.

3. Make pizza sauce

Meanwhile, in a bowl or jug, dissolve the 1 **vegetable stock cube** in 4 Tbsp of hot **water**. Add to it the **tomato paste**, **tomato passata**, a drizzle of **olive oil**, **dried oregano**, **dried thyme**, **dried basil**, and **brown sugar**. Mix well. This is your **pizza sauce**.

4. Roll pizza

Sprinkle half of the **semolina** onto a clean surface. Sprinkle some **flour** onto a rolling pin and roll out the **dough ball**. Cover with a layer of baking paper (to prevent it from drying), and allow the **dough** to rest for 3 min. After 3 min, continue to roll out the **dough** until roughly the size of a dinner plate. Repeat until you have all the **dough balls** rolled and ready to bake.

Tip! You can also roll out the dough in a more rustic or rectangular shape to fit your baking trays.

5. Bake

Sprinkle the remaining **semolina** onto your baking trays, and carefully transfer the rolled out **dough** onto them. Reshape the **dough** with your hands if needed. Spoon a generous amount of the **pizza sauce** over the **dough** towards the edges. Top with the fried **vegetables**, **olive slices**, and **vegan mozzarella cheese**. Brush the crust with **olive oil**. Bake for 15-20 min or until the crust begins to crisp and brown.

6. Serve

Once cooked, garnish the **pizza** with a pinch of **chilli flakes (spicy!)**, a drizzle of **olive oil**, and fresh **rocket**. Slice and enjoy!

Broccoli	
Broccoli	800 Grams
Water	100 ML
Salt	1 Tsp
Vegetable oil	2 Tbsp

Chimichurri	
Small red chilli	2 Piece
Fresh coriander	30 Grams
Fresh parsley	30 Grams
Garlic powder	4 Grams
Dried oregano	4 Grams
Olive oil	4 Tbsp
Red vinegar	30 ML
Salt	1 Tsp

Allergens: *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

- Add the **garlic powder**, **dried oregano**, **olive oil**, **red vinegar** and a pinch of **salt** and mix well.

Tip! To make the chimichurri prep faster, add all the ingredients to a blender and blitz.

4. Make brown butter

- Return the reserved pan to a high heat.
- Once hot, add the **butter** and stir continuously.
- Once the **butter** starts to brown, reduce to a medium heat.

1. Make glaze

Preheat the oven to 220°C/200°C fan. In a bowl, add the **Chinese 5 spice**, **soy sauce**, **plum sauce**, and a drizzle of **oil**. Mix well. This is your **duck glaze**.

2. Roast duck

Bring a kettle of **water** to a boil. Using a pastry brush or spoon, spread 1/2 the amount of the **duck glaze** on both sides of the duck. Place the ducks in a roasting pan. Pour the boiled measured **water** into the corner of the tray. Cover the tray with foil, and roast the ducks for 20 min until warmed through.

3. Prep vegetables

Meanwhile, peel and finely slice the **carrot**. Deseed and finely slice the **cucumber**. Finely slice the **spring onion**. Pick the **mint** and **coriander** leaves. Finely slice the **red chilli (spicy!)**.

> **Tip!** Sensitive to spice? Deseed the red chilli and use only a small amount.

4. Glaze duck

Once the duck has warmed through, brush with the remaining **duck glaze** and roast uncovered for a further 20 min until it's sticky and glossy. Set the oven grill on high, and roast the duck for 5 min until lightly charred around the edges.

> **Tip!** Make sure there's just enough water in the pan to prevent the duck from sticking / burning. If it has evaporated too much, add a few splashes.

5. Steam pancakes

Meanwhile, remove the **Chinese pancakes** from the plastic and cover in parchment or wax paper. Microwave on high for 30 sec until softened. Once warmed, gently separate the **pancakes** by peeling them from one another. Keep them slightly folded and covered until ready to serve.

> **Tip!** Alternatively, use a bamboo steamer to gently steam the pancakes for 1-2 min until softened. Do not overcook as they will stick together.

6. Serve

Shred the duck with two forks, discarding the skin and bones. Make duck rolls by spreading some **hoisin sauce** on the **Chinese pancakes**. Add some shredded duck, then top with some **carrots**, **cucumber**, **spring onion**, **fresh coriander**, **mint** and **red chilli (spicy!)**. Alternatively, serve the shredded duck family-style alongside the **vegetables**, **pancakes**, and **hoisin sauce**. Let everyone make their own rolls!

> **Tip!** If needed, use any of the roasting pan glaze as an additional sauce for the duck.

2. Cook

Heat a large pot over medium high heat with a drizzle of **oil**. Add the **onions**, **carrots**, **celery**, and **garlic** with a pinch of **rosemary**, **salt** and **pepper**. Fry for 3-5 min until softened. Add the **mushroom** and half the **thyme** (reserving the rest for the **biscuits**). Place the **stock cube**, **coriander seeds**, **chipotle** (spicy!), **garlic**, **chilli** (spicy!), **fresh coriander**, **spring onion**, whole **cherry tomatoes** and a drizzle of **olive oil** in a food processor. Blitz for 1-2 min until smooth.

3. Simmer

Add the blitzed paste to a pot and submerge the **chicken breasts** in it. Bring to a simmer over a medium-high heat. Once simmering, cover with a lid, reduce the heat to low and simmer for 25 min.

1. Prep

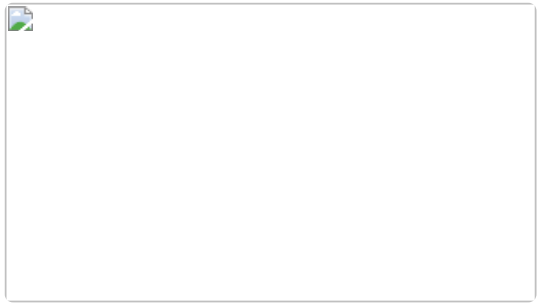
Preheat the oven to 200°C/180°C fan. Bring a pot of salted water to the boil. Peel and slice the **onion** into quarters and separate them into individual petals. Peel and mince the **garlic**. Deseed and roughly chop the **peppers**. Slice the **zucchini** into batons. Boil the **measured water** and dissolve 1 **chicken stock cube** and the **Dijon mustard** in it.

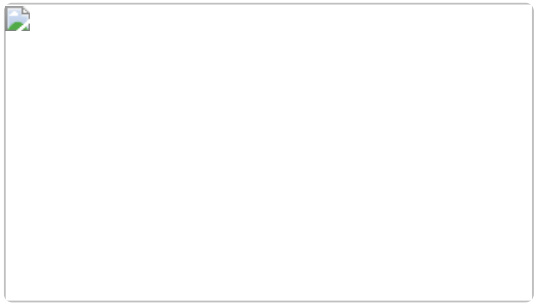
2. Roast vegetables



Add the **onion**, **garlic**, **peppers**, **zucchini** and the **stock** to a baking dish. Sprinkle with half of the **dried thyme** (reserve the rest to use in step 4) and season with **salt** and **pepper**. Drizzle with the **olive oil** and bake for 15 min.

Tip! If cooking for kids, keep a portion of vegetables without thyme and roast them to one side of the baking dish.

3. Make mash



Meanwhile, peel and chop the **potatoes** into bite-sized pieces. Once the water is boiling, add the **potatoes** and cook over a medium-high heat for 20 min or until soft. Continue baking for 12-15 min further or until the **chicken** and **vegetables** are cooked through. Meanwhile, pick and finely chop the **parsley** leaves. Serve the **lemony chicken** and the **roasted vegetables** with the **creamy potato mash** alongside. Garnish with the **parsley**.

1. Prep

Preheat the oven to 220°C/200°C fan. Remove the **pizza dough** from the fridge 15-20 min prior to baking. Deseed and slice the **red pepper** into strips. Clean the mushrooms with a cloth, knife, or brush (don't wash them with water), and thinly slice them. Peel and slice the **onions**. Peel and finely chop the **garlic**.

> **Tip!** If you have a pizza stone, preheat it in the oven before baking your pizza on it.

Sprinkle the remaining **semolina** onto your baking trays, and carefully transfer the rolled out **dough** onto them. Reshape the **dough** with your hands if needed. Spoon a generous amount of the **pizza sauce** over the **dough** towards the edges. Top with the fried **vegetables**, **olive** slices, and **mozzarella cheese**. Brush the crust with **olive oil**. Bake for 15-20 min or until the crust begins to crisp and brown.

Olive oil	2 Tbsp
Butter 4*	20 Grams
Salt	1 Tsp
Lemon	2 Piece

Allergens: *7 Crustaceans, *15 Celery, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Peel and finely chop the **onion**. Boil the **measured water** and dissolve the **vegetable stock cube** in it.

2. Fry onion

Heat a non-stick pan over a medium heat with a drizzle of **olive oil**. Once hot, add the **onion** with a pinch of **salt** and cook for 5-6 min or until softened.

3. Make risotto

Once softened, add the **Arborio rice** and cook for 1 min further, stirring to coat the grains in the **oil**. Add 1/3 of the **stock** and stir continuously until it has absorbed. Continue to add the **stock**, a little at a time for 20 min or until all the **stock** is absorbed and the **rice** is cooked 'al dente'.

Tip! The amount of stock you will require, depends on the size of your pan and the heat over which you simmer the risotto. Make sure to adjust the amount accordingly.

4. Prep garnishes

Meanwhile, peel and mince the **garlic**. Trim and slice the **snow peas**. Grate the **Parmesan**.

Tip! Leave half of the snow peas whole for that extra crunchy texture!

5. Fry

Heat a second non-stick pan over a medium-high heat with a drizzle of **olive oil** and the **butter**. Once hot, add the **snow peas** and cook for 2 min. Add the **prawns** and **garlic** with a pinch of **salt** and cook for 2-3 min further or until the **prawns** are pink and cooked through. Once cooked, remove the pan from the heat.

6. Finish risotto

Remove the **risotto** from the heat. Add the **Parmesan** and a squeeze of **lemon** to the **risotto** and mix well. Fold the buttery **prawns** and **snow peas** into the **risotto**. Divide among plates.

Tip! Zest the lemon before you juice it into the pan. Garnish the risotto with the lemon zest for a pop of flavour.

From your pantry

Vegetable oil, Olive oil, Salt & Black Pepper

Ingredients

for 6 servings

Lemon	2 Piece
Organic Eggs 5*	3 Piece
Butter 4*	50 Grams
Caster sugar	200 Grams
Whole milk 4*	200 ML
Vanilla essence	5 ML
Plain flour 10*,11*	50 Grams
Icing sugar	25 Grams
Whipping cream 4*	100 ML

Allergens: *5 Eggs, *4 Milk, *10 Wheat, *11 Gluten

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

- Preheat the oven to 180°C/160°C fan.
- Grease a medium-sized, rectangular baking dish.
- Zest the **lemon**, taking care to avoid the bitter white pith.
- Separate the **egg whites and egg yolks**.
- In a large bowl, use an electric beater or wooden spoon to cream together the **butter**, **sugar** and **lemon zest** to form a paste.

Tip! Creaming in baking is beating together the butter and sugar to incorporate air and create a tender texture.

2. Make batter

- Into a small bowl, squeeze the **juice** from both **lemons**.
- To the same bowl with the **butter** and **sugar** mixture, add the **lemon juice** and **egg yolks**.
- Use an electric beater or whisk to incorporate.
- Add the **milk**, **vanilla essence** and **flour**.
- Mix well to form a runny **batter** and set aside.

3. Whisk egg whites

- Rinse and dry the whisk or electric beater prongs.
- In a separate bowl, whisk the **egg whites** until stiff peaks form.

Tip! Stiff peaks refers to a thick and firm consistency achieved by whipping egg whites until it forms peaks that hold their shape when the whisk is lifted.

4. Pour batter

Gently fold the **egg whites** into the **batter**. Pour the **batter** into the greased baking dish. Place the dish into a deep baking tray and carefully fill the tray with water until it reaches half way up the sides of the **pudding's** baking dish.

Tip! The water helps to evenly redistribute the heat from the oven around the pan and ensure uniform baking.

5. Bake

- Bake for 40-45 minutes until the top is lightly browned and there is a slight wobble in the pudding.
- Remove from the oven and allow to cool for 6-8 min.
- Once cooled, use a small sieve to dust **icing sugar** over the top of the pudding.

6. Serve

- Meanwhile, whip the **whipping cream** to soft peaks.
- Serve the **Saucy Lemon Sponge Cake** warm, with a dollop of **whipped cream**.

Tip! Soft peaks in cream indicates a stage of whipping where the cream has thickened, forming gentle peaks that curl over when the whisk is lifted.

Cucumber	2 Piece
Lemon	2 Piece
Hummus 3*	400 Grams
Zaatar	15 Grams

Allergens: *10 Wheat, *11 Gluten, *3 Sesame Seeds

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

- Preheat the oven to 200°C/180°C fan.
- Peel and roughly chop the **red onion**.
- Peel the **garlic**.
- Pick the **parsley** leaves.
- Add the **vegetables** to a food processor and pulse several times, scraping down in between, until finely chopped.

Tip! Alternatively you may use a grater to grate the onions, and finely chop the parsley and garlic with a knife. If the onions are too watery, squeeze and discard as much of their liquid as possible to prevent soggy bread.

4. Bake arayes

- Place the **Arayes** on top of the grill rack of a roasting or baking tray.
- Bake for 15-20 min until the **flatbread** is crispy and the **beef** is fully cooked through.
- Set them aside on the rack until ready to serve.

Tip! Baking the Arayes on a grill rack ensures that the hot air in the oven circulates around the bread for a crispy texture, and prevents them from getting soggy.

2. Combine

- In a large bowl, combine the **beef**, chopped **vegetables**, **tomato paste**, **coriander cumin powder**, **allspice**, **cinnamon**, **salt**, and **pepper**.
- Knead the mixture until fully combined.
- Divide the mixture into 12 **patties**.
- Set aside.

Tip! If cooking for kids, you can reserve a plain portion of beef with just a pinch of salt and pepper.

5. Prep sides

- Meanwhile, pick the **mint** leaves.
- Peel the **carrots** and slice into rounds.
- Chop the **cucumber** into rounds.
- Slice the **lemon** into wedges.

3. Make Arayes

- Warm the **Arabic flatbread** in the microwave for 10-15 sec so they're easier to open.
- Using the tip of a knife, gently cut the **flatbread** open from the side.
- Add one **beef patty** in the center and spread out to the edges with your fingers, to fill the **flatbread**.
- Close and press the top down.
- Brush each with **oil**, and sprinkle **sumac** over.
- Repeat the process until all the **flatbread** are stuffed.

Tip! Misshapen bread, or torn pieces? Don't fret! Patch up what you can; any exposed patties will bake nice and crispy.

6. Serve

- Cut the **Arayes** into half or quarter pieces.
- Serve the **Arayes: Lebanese Beef Stuffed Pitas** with **Hummus** and **Crudites**, with **cucumber**, and **carrots** alongside.
- Drizzle some olive **oil** over the **hummus**. Sprinkle the **zaatar** over the veggies.
- Serve with the **mint** and **lemon** wedges alongside.

Tip! If cooking for kids, serve the Arayes, hummus, and vegetables separately. Serve the zaatar as sprinkles to the side.

1. Cook quinoa

Preheat the oven to 200°C/180°C fan. Place the **quinoa** in a bowl, cover with warm water and rinse well. Drain in a fine sieve. Add the **measured water** to a saucepan and bring it to a boil over a high heat. Once boiling, add the **quinoa** and **salt**. Frosting	
Whipping cream 4*	150 ML
Icing sugar	10 Grams
Toppings	
Strawberries	250 Grams
White sugar	10 Grams
Cinnamon powder	2 Grams

Allergens: *4 Milk, *5 Eggs, *10 Wheat, *11 Gluten

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Mix wet ingredients

- Preheat the oven to 180°C, and grease an 18x18cm square or round baking pan.
- In a large mixing bowl, using a handheld beater or whisk, cream the **butter** and **sugar** for 3-4 min until light and fluffy, scraping down in between.
- Beat in the **eggs**, one at a time until fully incorporated before adding the next.
- Lastly beat in the **vanilla**.

Tip! Creaming butter and sugar incorporates air into the batter, allowing the cake to rise and expand well in the oven when baked.

2. Add dry ingredients

- Sift in the **flour**, **baking powder**, and **salt** on top of the **wet ingredients**, and mix until just combined.
- Add a splash of **50ml of whole milk** to loosen the **batter** (reserving the rest of the **milk** for later), and stir until just combined.

Tip! The texture and consistency of the batter will be thick. Avoid over-mixing.

3. Bake

- Transfer the **batter** to a baking dish, and spread evenly with a spatula.
- Bake in the center of the oven for 25-30 min until golden, or until a toothpick inserted comes out clean.
- Cool the **cake** in the pan for 10-15 min.
- Using a fork or wooden skewer, gently pierce holes all over the **cake** and towards the sides.

4. Mix 3 milks

- Meanwhile, in a large measuring cup (or a bowl with a pouring spout), mix the remaining **whole milk**, **evaporated milk**, and **condensed milk** well.
- Slowly drizzle the **milk** mixture over the cooled **cake**, getting all the sides.
- Transfer the **cake** to the fridge and chill for 1-2 hours.

Tip! If you'd like, reserve 1/4 of the milk mixture to serve with the cake later. You can also chill the cake overnight and enjoy it the next day.

5. Prep cream and strawberries

- In a large mixing bowl, add the cold **whipping cream** and **icing sugar** and beat or whisk for 1-2 min until the **cream** is thick and spreadable. Wash, trim and thinly slice the **strawberries**. Add them to a small bowl and sprinkle the **10g sugar** over. Mix and set aside.

Tip! The sugar helps the strawberries release their juices for a tasty syrup, and makes the berries softer, fragrant, and full of flavour.

6. Serve

- When ready to serve, spread the **whipping cream** over the chilled **cake** with a spatula.
- Dust **cinnamon** all over the **cake**, and top with the **strawberries**.
- Cut the **Tres Leches Milk Cake with Strawberries and Cream** into squares, and enjoy!

Allergens: *10 Wheat, *11 Gluten, *15 Celery, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat the oven to 220°C/200°C fan. Remove the **pizza dough** from the fridge 15-20 min prior to baking. Deseed and slice the **red pepper** into strips. Clean the **mushrooms** with a cloth, knife, or brush (don't wash them with water), and thinly slice them. Peel and slice the **onions**. Peel and finely chop the **garlic**.

Tip! If you have a pizza stone, preheat it in the oven before baking your pizza on it.

2. Fry veg

Heat a non-stick pan over a medium-high heat with a drizzle of **olive oil**. Once hot, add the **onions**, **garlic**, **red pepper**, and **mushrooms** with a pinch of **salt** and **pepper**, and cook for 5 min until softened.

Tip! Frying the veggies first helps evaporate most of the water content, and ensures a crispier crust.

3. Make pizza sauce

Meanwhile, in a bowl or jug, dissolve the 1 **vegetable stock cube** in 4 Tbsp of hot **water**. Add to it the **tomato paste**, **tomato passata**, a drizzle of **olive oil**, **dried oregano**, **dried thyme**, **dried basil**, and **brown sugar**. Mix well. This is your **pizza sauce**.

4. Roll pizza

Sprinkle half of the **semolina** onto a clean surface. Sprinkle some **flour** onto a rolling pin and roll out the **dough ball**. Cover with a layer of baking paper (to prevent it from drying), and allow the **dough** to rest for 3 min. After 3 min, continue to roll out the **dough** until roughly the size of a dinner plate. Repeat until you have all the **dough balls** rolled and ready to bake.

Tip! You can also roll out the dough in a more rustic or rectangular shape to fit your baking trays.

5. Bake

Sprinkle the remaining **semolina** onto your baking trays, and carefully transfer the rolled out **dough** onto them. Reshape the **dough** with your hands if needed. Spoon a generous amount of the **pizza sauce** over the **dough** towards the edges. Top with the fried **vegetables**, **olive slices**, and **mozzarella cheese**. Brush the crust with **olive oil**. Bake for 15-20 min or until the crust begins to crisp and brown.

6. Serve

Once cooked, garnish the **pizza** with a pinch of **chilli flakes (spicy!)**, a drizzle of **olive oil**, and fresh **rocket**. Slice and enjoy!

Ingredients

for 2 servings

Mousse	
Belgian dark chocolate 9*	50 Grams
Belgian white chocolate 4*,9*	50 Grams
Whipping cream 4*	300 ML
Vanilla essence	5 ML

To serve	
Milk chocolate 4*,9*	20 Grams

Allergens: *9 Soya, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Melt dark chocolate

- Heat a small saucepan of water filled only 1/4 way, over medium heat to a gentle simmer.
- To a large bowl, add the **Belgian dark chocolate** and **1 Tbsp cream**.
- Place the bowl over the saucepan, making sure the base of the bowl does not touch the water.
- With the water gently simmering, melt the **chocolate**, stirring to combine it with the **cream**.
- Once melted and fully combined, remove the bowl from the saucepan. Reserve the saucepan of water.

Tip! Only add enough water to simmer but take care that the bowl does not touch the water.

2. Melt white chocolate

- To a separate large bowl, add the **Belgian white chocolate** and **1 Tbsp cream**.
- Place the bowl over the saucepan, making sure the base of the bowl does not touch the water.
- With the water gently simmering, melt the **chocolate**, stirring to combine it with the **cream**.
- Once melted and fully combined, remove the bowl from the saucepan.

3. Whip cream

- Meanwhile, chill a large bowl to be used for whipping the **cream** (optional).
- Keep the **cream** refrigerated until right before whipping.
- In the large, chilled bowl, combine the **whipping cream** and **vanilla essence**.
- Using a whisk or electric beater, whip the **cream** for 7-8 min until it reaches stiff peaks stage.

Tip! Stiff peaks refers to the peak of cream that forms when the whisk is removed from bowl and indicates a stiffly beaten cream that holds its shape.

4. Make mousse

- Add one spoonful at a time of **whipped cream** to each bowl of **melted chocolate**.
- Use a spatula or metal spoon to gently fold together the **cream** and **melted chocolate**, until fully incorporated and an even colour is achieved.

Tip! Folding is combining ingredients with a gentle over-and-under mixing action without losing the air.

5. Portion

- Gather individual containers or glasses.
- Evenly divide the **dark chocolate mousse** between the containers to form the first layer.
- Evenly divide the **white chocolate mousse** between the containers and create a second layer on top of the **dark chocolate mousse**.
- Cover each container with cling film and refrigerate for 2 hours or overnight.

Tip! Don't have individual containers? Create one large layered mousse in a bigger container of your choice.

Ingredients

for 4 servings

Lean beef mince	700 Grams

Large green chilli	2 Piece
Coriander cumin powder	8 Grams
Smoked paprika powder	2 Grams
Salt	1 Tsp
Black pepper	1 Tsp
Egyptian flatbread 10*,11*	2 Piece

Tahini Sauce	
Tahini 3*	60 Grams
Lemon	1 Piece

Potatoes	
Potatoes	1000 Grams
Vegetable seasoning 2*,10*,11*,13*	5 Grams
Olive oil	2 Tbsp

Allergens: *10 Wheat, *11 Gluten, *4 Milk, *3 Sesame Seeds, *2 Tree Nuts, *13 Mustard

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat the oven to 200°C/180°C fan. Peel and roughly chop the **onion**. Deseed the **green pepper**. Add the **vegetables** to a food processor and pulse several times, scraping down in between, until finely chopped. Add to a **large** bowl, and over the sink, squeeze out as much water as possible.

Tip! Alternatively you may use a grater to grate the onions, and finely chop the parsley and garlic with a knife. If the onions are too watery, squeeze and discard as much of their liquid as possible to prevent soggy bread.

2. Combine

In a **large** bowl, combine the **beef**, chopped **vegetables**, **coriander cumin powder**, **smoked paprika**, **salt**, and **pepper**. Knead the mixture until fully combined. Divide the mixture into 12 **patties**. Set aside.

Tip! If cooking for kids, you can reserve a plain portion of beef with just a pinch of salt and pepper.

3. Make Arayes

Warm the Arabic **flatbread** in the microwave for 10-15 sec so they're easier to open. Using the tip of a knife, gently cut the **flatbread** open from the side. Add one **beef patty** in the center and spread out to the edges with your fingers, to fill the **flatbread**. Close and press the top down, brush each with **oil**, and sprinkle sumac over. Repeat the process until you have all the **flatbread** stuffed.

Tip! Misshapen bread, or torn pieces? Don't fret! Patch up what you can; any exposed patties will bake nice and crispy.

4. Bake arayes

Place the **Hawawshi** on top of the grill rack of a roasting or baking tray. Bake for 15-20 min until the **flatbread** is crispy and the **beef** is fully cooked through. Set them aside on the rack until ready to serve.

Tip! Baking the Arayes on a grill rack ensures that the hot air in the oven circulates around the bread for a crispy texture, and prevents them from getting soggy.

5. Prep sides

Meanwhile, finely chop the **cucumber**. Chop the **tomatoes**. Slice the **lemon** into wedges.

6. Serve

Cut the **Arayes** into half or quarter pieces. Divide the hummus, **cucumber**, and carrots amongst plates. Drizzle some **olive oil** over the hummus, and sprinkle the zaatar over the veggies. Serve with the mint and **lemon** wedges alongside.

Tip! If cooking for kids, serve the Arayes, hummus, and vegetables separately. Serve the zaatar as sprinkles to the side.

Ingredients

for 4 servings

Chicken and sauce	
Chicken breast	800 Grams
Water	300 ML
Chicken stock cube 4*,5*,9*,15*	1 Piece
Sun dried tomatoes	90 Grams
Tomato paste	70 Grams
Cream cheese 4*	160 Grams
Olive oil	2 Tbsp
Salt	1 Tsp
Black pepper	1 Tsp

Potatoes and veg	
Potatoes	600 Grams
Carrot	3 Piece
Green pepper	3 Piece
Olive oil	3 Tbsp
Salt	1 Tsp
Parmesan 4*	60 Grams
Fresh parsley	15 Grams

Allergens: *4 Milk, *5 Eggs, *9 Soya, *15 Celery

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Roast

Preheat the oven to 200°C/180°C fan. Chop the **potatoes** (skins on) into bite-sized pieces. Peel and slice the **carrot** into thick coins. Deseed and chop the **pepper** into large chunks. Add the **potatoes** and the **vegetables** onto a lined baking tray with a drizzle of **oil** and a generous pinch of **salt**. Roast for 25-30 min or until the **potatoes** are golden and crisp and the **vegetables** nicely roasted.

Tip! If cooking for kids, reserve some fresh carrot.

2. Blend sauce

Meanwhile, boil the measured **water** and dissolve the **stock cube** in it. Pour the **chicken stock** into a blender. Roughly chop the **sun dried tomatoes**. Add the **sun dried tomatoes**, **tomato paste** and **cream cheese** to the blender. Blend until smooth. This is your **creamy tomato sauce**.

Tip! Alternatively, you may use a stick blender and a bowl to blend your creamy tomato sauce.

3. Fry chicken

Heat a large non-stick pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **chicken breasts** with a pinch of **salt** and cook for 5-7 min on either side until golden and cooked through. Season with **black pepper** to taste.

Tip! If the chicken is browning too quickly without cooking all the way through, add a splash of water to the pan, reduce the heat and cover with a lid until fully cooked.

4. Add sauce

Reduce the heat to low and add the **creamy tomato sauce**. Simmer for 5 min until the sauce has thickened.

Tip! Simmering is more gentle than boiling. If the sauce is bubbling vigorously, reduce the temperature.

5. Finish roast

Meanwhile, grate the **Parmesan** with a fine blade. Pick and chop the **parsley**. Once the **potatoes** and the **vegetables** have roasted, sprinkle them with the chopped **parsley** and most of the grated **Parmesan** (reserving some for garnish), and toss.

Tip! If cooking for kids, reserve some of the roasted potatoes without the parsley.

6. Serve

Slice the **chicken**. Serve the **chicken** and the **creamy sun dried tomato sauce** with the **roasted potatoes and vegetables**. Sprinkle generously with the reserved grated **Parmesan**, and finish with a crack of **black pepper**.

Tip! If cooking for kids, pick some of the chicken from the tomato sauce and chop into bite-sized pieces. Serve the chicken, roasted potatoes and fresh carrot separately.

1. Prep duck

Preheat oven 200°C/180°C fan. Run a sharp knife down the skin of the **duck** at 0.5cm intervals, then run it across the skin to form a cross-hatch pattern, making sure not to cut through the flesh. Season with a good pinch of **salt** on both sides.

2. Fry duck

Place the **duck**, skin-side down on a cool oven-safe pan. Turn the heat to medium-high and gently fry for 10 min so the fat starts to render / melt. Pour the **duck fat** in a bowl as it collects in the pan. After the skin looks golden and crispy, flip the **duck**, meat side down, cook for 2 min, then place the pan in the oven and cook for 8-10 min further until done to your liking.

Tip! If you don't have an oven-safe pan, transfer the duck to a baking tray and roast further.

3. Cook rice

Meanwhile, rinse the **rice**. Bash the **lemongrass** stalk. Add the **rice**, **lemongrass** stalk, **lime leaves**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 12-15 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pot from the heat and keep covered until serving.

4. Prep

Meanwhile, deseed the **red chilli** and slice into rings. Trim the **pak choi**, and cut in half. Pick the **Thai basil**. In a small bowl, combine the **ginger garlic paste**, **plum sauce**, **rice vinegar**, **chilli jam**, 0.25 tsp of **corn starch**, and the **measured water**. This is your **glaze**

1. Cook quinoa

Add the **quinoa** to a bowl, cover with warm water and rinse. Drain in a fine sieve. Add the **measured water** to a pot and bring it to a boil. Add the **quinoa** and a pinch of **salt**. Cover with a lid, reduce the heat to low and simmer for 15 min or until the liquid is absorbed and the **quinoa** is tender.

Tip! Washing quinoa with warm water before draining it, removes the bitter-tasting saponins from its surface.

2. Make sauce

In a small bowl combine the **ginger garlic paste**, **garlic powder**, **rice vinegar**, **sriracha (spicy!)**, **sesame oil** and **sweet soy sauce**. Add the measured **water** and a teaspoon of the **corn starch**, mix well and set aside.

Tip! Can't take the heat? Use less sriracha.

3. Prep

Deseed and chop the **red pepper** into strips. Finely slice the **spring onions**. Dry the **tofu** and cut into bite-sized pieces. Place the remaining **corn starch** in a separate bowl and season with **salt** and **pepper**. Add the **tofu** into the seasoned **corn starch**, toss until evenly coated.

1. Prep crust

Preheat the oven to 220°C/200°C fan. Grate the **cauliflower** with a box grater until it resembles small crumbs. Heat a pan over a medium-high heat with a drizzle of **olive oil**. Fry the **cauliflower** crumbs with a pinch of **salt** for 7 min or until browned and dry. Transfer to a large bowl to cool.

2. Mix and bake

Grate the **Parmesan**. Add it to the cooled **cauliflower** along with the **eggs**. Mix until combined. Pour the mixture onto a lined baking tray. Pat it down until it resembles an even layer. If you're cooking for 3 or 4, use two trays. Bake in the oven for 10-15 min until golden brown and set.

1. Prep

Preheat the oven to 200°C/180°C fan. Peel and finely chop the **onion**. Peel and mince the **garlic**. Pick and roughly chop the **mint** and **coriander** leaves.

Tip! Keep some mint and coriander leaves whole for garnish.

2. Fry

Heat a pan over a medium heat with a drizzle of **oil**. Once hot, add the **onions** and **lamb mince** and fry for 5 min. Add the **garlic**, **smoked paprika**, **cumin powder**, Worcestershire **sauce** and **tomato paste**. Fry for 2 min further. Stir through half of the **fresh coriander** and half of the **fresh mint** (reserve the rest). Season with **salt** and **pepper**.

3. Form dough

Sprinkle half of **flour** onto a clean surface. Sprinkle the rest of the **flour** onto a rolling pin and roll out the **dough balls** into long ovals, about 0.5 cm thick. Carefully transfer the rolled out **dough** onto the pre-heated trays. Place the **lamb mixture** on top and fold the sides to create a boat-like shape. Brush the sides of the **pide** with **olive oil**. Bake for 15 min.

Tip! The trick to rolling out your dough is to roll once, then let it rest for a couple of minutes before rolling again.

4. Add

After 15 min, crack the **eggs** into the middle of each **pide** and crumble over the **feta cheese**. Return to the oven and bake for another 5 min or until golden brown.

Tip! Sprinkle the baking tray with some of the plain flour. This will prevent the dough from getting soaked with the moisture of the filling.

5. Make salad

Meanwhile, chop the **tomato** and **cucumber** into cubes. To a bowl, add the **tomatoes** and **cucumbers** with a drizzle of **olive oil** and a pinch of **salt**. Add the remaining **coriander** and **mint** and toss. In a small bowl, mix the yoghurt with the **garlic powder** and a pinch of **salt**.

6. Serve

Serve the **pide** with the **salad** and yogurt alongside. Sprinkle the yogurt with the **sumac**.

1. Prep dried lemon

Tip! Piercing the dried lemons will help them soften and infuse their flavour better while braising in the stew.

2. Prep herbs

Pick the **spinach leaves**, discarding the woody stalks and ends. Gather the **spinach leaves**, **fresh parsley**, and **fresh coriander** (stems included) in a tight bunch, and chop as finely as possible. Peel and finely chop the **red onion**. Trim and finely chop the **spring onion**.

3. Make stew

Drain and rinse the **kidney beans**. Heat a large pot over medium-high heat with **olive oil**. Add the chopped **herbs** and **onions** with a pinch of **salt**. Fry for 8-10 min until they have greatly reduced in volume and turned into a dark green colour. Add the **turmeric**, **dried lemon**, **dried mint**, and **fenugreek**, and fry for 1-2 min further. Add the **pulled beef**, **kidney beans**, **stock cube**, and the **measured water**. Cover and simmer on medium heat for 20-25 min.

Tip! Prefer a thicker stew? Use Tip #6!

4. Cook rice

Meanwhile, rinse and drain the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 12-14 min or until the water is absorbed and the **rice** is cooked. Add the **broccoli** florets to the same pot of water, and cook for 1-2 min further. Reserve 1 cup of **pasta water** to use in step 5, then drain the **pasta** and **broccoli** and set aside.

3. Fry

Heat a large pan over a medium-high heat with a drizzle of **olive oil**. Add the **mushrooms** with a pinch of **salt** and **pepper**, and fry for 6-7 min or until browned. Add the garlic paste and **dried thyme**. Fry for 1 min further. Transfer the **mushroom** onto a plate and reserve the pan.

4. Make sauce

Return the pan to a medium heat. Melt the **butter**, then add the **plain flour**, **nutmeg** and 1 **mushroom stock cube** and stir until a paste forms. Slowly add the **milk** and **measured water**. Mix well, and cook the sauce for 2-3 min until thickened. Return the **mushroom** and stir in the **green peas**, **grated mozzarella**, **grated parmesan**, and half of the **grated cheddar** (reserve the rest for serving). Stir until the **cheese** has melted.

Tip! Make sure to scrape the bottom of the pot regularly so the cream sauce doesn't stick

5. Finish

Transfer the cooked **pasta** and **broccoli** to the pan with the chopped **parsley** and mix well. Add a good splash of the reserved **pasta water** to adjust the consistency of the sauce to your liking.

6. Serve

Divide the creamy **mushroom pasta** among bowls, and garnish with the remaining **grated cheddar**.

Vegetable stock cube [15*]	1 Piece

Pasta	
Broccoli	400 Grams

Allergens: *10 Wheat, *11 Gluten, *15 Celery

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Trim the **broccoli** florets and cut into bite-sized pieces. Peel and finely chop the **onion**. Peel and finely chop the **garlic**. Roughly chop the **sun dried tomatoes**. Pick the **basil** leaves.

2. Prep chicken

Pat the chicken breasts dry with paper towel. Slice each chicken breast in half as if you were cutting a burger bun, so you are left with two thinner chicken escalopes. Season the chicken with **salt** and **pepper**. Combine the **flour** and **dried thyme** on a plate, and coat the chicken in the **flour**.

3. Fry chicken

Heat a large pan over a medium-high heat with a generous drizzle of **olive oil**. Once hot, carefully add the coated chicken breasts (in batches), and fry for 2-3 min on either side or until golden and crispy. Set aside on a plate. Reserve the frying pan.

Tip! Avoid overcooking the chicken at this step as it will continue to cook in the cream sauce in step 5.

4. Boil pasta

Meanwhile, bring a large pot of salted water to a boil. Add the **linguine** and cook for 12-15 min or until cooked to your liking. During the last 5 min, add the **broccoli**, and cook until blanched. Drain and set aside.

5. Make sauce

Grate the parmesan and set aside. Heat the reserved frying pan to medium heat with another drizzle of **olive oil**. Fry the **onion** and **garlic** for 4-5 min until softened. Add the **tomato paste**, and **sun dried tomato**, and fry for 1 min. Crumble 1 chicken **stock cube**, the **measured water**, and whisk in 200 of the cooking **cream**, and half the parmesan. Return the chicken to the pan, and gently cook for 3-4 min until the chicken is cooked through and the **sauce** is thickened. Tear in some of the **basil** leaves.

6. Serve

Divide the **linguine** and chicken amongst plates, and pour that delicious **cream sauce** over. Serve with the **broccoli** alongside, and any extra parmesan.

Allergens: *4 Milk, *14 Sulphur Dioxide

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep roast

Preheat the oven to 220°C/200°C fan. Chop the **potatoes** (skins on) into bite-sized pieces. Peel and chop the **carrot** and **onion** into chunks. Add the **potatoes**, **carrot** and **onion** onto a lined baking tray. Drizzle with **oil** and sprinkle with **salt**. Deseed and chop the **red peppers** into large chunks. Add the **peppers** onto the tray (or, onto a separate tray). Bake for 20 min, then take out the **roasted peppers**, and continue roasting the **potatoes**, **carrots** and **onions** for 10-15 min further.

4. Blend sauce

Once the **red peppers** have roasted for 20 min, transfer them onto a plate and cool in the fridge for 2-3 min. Peel and roughly chop the **garlic**. Add the **garlic**, the slightly cooled **roasted peppers**, a generous drizzle of **olive oil**, the **feta** and a pinch of **salt** and **pepper** into a blender. Blend until smooth, occasionally scraping the sides of the blender with a rubber spatula. Transfer the blended **sauce** to a bowl or plate and set aside.

Tip! No need to peel the roasted peppers. The skins will blend into the sauce.

2. Prep koftas

Meanwhile, pick and finely chop the **mint**. In a large bowl, combine the **beef mince**, **olive oil**, **garlic onion powder**, **smoked paprika powder**, **oregano**, **salt** and **black pepper** with the **mint**. With clean hands, knead the mixture until fully combined. Divide into 20 pieces and shape each piece into a **kofta**. Set aside.

Tip! Coat your hands in oil or water before shaping the koftas; this way the mixture won't stick to your hands.

5. Fry koftas

Heat a large pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **koftas** and fry for 5-7 min or until cooked through and nicely browned all over. (Alternatively, cook the **koftas** on the oven tray together with the **potatoes** and **veg** for the last 10-15 min of their baking time, after you have removed the **red peppers** from the oven.)

Tip! If the pan is looking crowded, fry the koftas in batches. This will stop them from stewing, rather than frying.

3. Prep salad

Trim and chop the **lettuce** into strips. Chop the **cucumber** into half moons. In a large salad bowl, whisk together the **olive oil**, **balsamic vinegar** and a pinch of **salt**. Toss the **lettuce** and the **cucumber** in the **dressing** just before serving. Pick and roughly chop the **parsley**.

Tip! If cooking for kids, reserve some baby gem lettuce and cucumber without tossing them in the dressing.

6. Serve

Toss the chopped **parsley** in the **roasted potatoes, onions and carrots**. Divide them among plates. Add the **red pepper sauce**, and top it with the fried **koftas**. Serve the **salad** on the side.

Tip! If cooking for kids, serve the koftas, potatoes, lettuce and cucumbers separately. Serve with some of the sauce on the side.

1. Prep

Preheat the oven to 200°C/180°C fan. Bring a kettle of water to the boil. Peel and finely chop the **red onion**. Finely chop the **chives**. Grate the **cheddar**.

2. Make egg mix

In a large bowl, whisk together the **red onion**, **chives**, **oregano**, **eggs** and **cream** with a pinch of **salt** and **pepper** to taste. Whisk for 1-2 minutes to incorporate air.

> **Tip!** Incorporating air in the eggs helps the frittatas to be light and fluffier in texture.

3. Fill

Lightly oil **foil cups** or oven-proof dishes. Divide the **cheddar**. Evenly pour over or spoon the **egg mixture**.

> **Tip!** Strapped for time? Add the fillings and egg mixture into one large oven-proof dish and bake as a large single frittata.

4. Bake

Bake in the oven for 15-20 min or until cooked through and golden brown. The centre should not be wobbly, and a toothpick or skewer inserted into the centre should come out clean. Once cooked, remove from the oven and leave to cool down for 5 min.

> **Tip!** If using one large baking dish, bake for an extra 10-15 min or until fully cooked.

5. Making dressing

In a small bowl, combine the **sour cream**, and **hot sauce** with a pinch of **salt** and **pepper** to taste.

> **Tip!** These are perfect for an on-the-go breakfast snack. Hot, warm or cold.

6. Serve

Serve the **Mature Cheddar and Herb Frittatas** with the **Sour Cream Dressing**.

> **Tip!** Store in an airtight container, in the fridge and consume within 2 days. To reheat, microwave for 30 sec to 1 min or until warm.

Cucumber	2 Piece
Black sesame seeds 3*	10 Grams

Allergens: *5 Eggs, *9 Soya, *10 Wheat, *11 Gluten, *12 Lupin, *4 Milk, *15 Celery, *3 Sesame Seeds

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery**.

1. Prep

Whisk the **eggs** in a shallow bowl with the **tamari**. Combine the large **flour** into a second shallow bowl and mix with the **smoked paprika**. Place the **panko** in a third shallow bowl. Peel and finely chop the **shallots**. Peel the **carrot**, then use the peeler to create several **carrot** ribbons. Grate the remaining **carrot**.

Tip! If cooking for kids, set aside a portion of the carrot ribbons.

2. Bread chicken

Wrap the **chicken breasts** in cling film and place them on a chopping board. Using a rolling pin, bash the **chicken breasts** until almost halved in thickness. One by one, coat the **chicken breasts** in the **seasoned flour**. Then dip them in the beaten **eggs** and finally in the **panko**, making sure they are well coated. Refrigerate.

3. Boil rice

Rinse the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 10-12 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pot from the heat and keep covered until serving.

4. Simmer

Meanwhile, heat a large pan over a medium heat with a drizzle of **oil**. Once hot, add the **shallots**, **grated carrot**, **garlic ginger paste** and fry for 3 min. Add the **curry powder**, **garam masala**, **sugar** and the small **flour**. Gradually add the **measured water** whilst stirring. Add the **coconut milk**, **soy sauce** and 1 **chicken stock cube**. Simmer for 5 min further.

Tip! Use a sieve to strain the sauce or use a hand blender to blitz it until smooth.

5. Fry chicken

Meanwhile, heat a second pan over a medium-high heat with a generous drizzle of **oil**. Once hot, add the **breaded chicken** and reduce the heat to medium. Fry for 3-5 min on each side or until golden brown. Drain on kitchen paper to remove any excess **oil**.

Tip! To check if the chicken is cooked, insert a knife into the meat - if the juices run clear, it's ready.

6. Serve

Slice the **lime** into wedges. Peel the **cucumber** into ribbons and toss with the **carrot** ribbons. Sprinkle with the **black sesame seeds** and a squeeze of **lime** juice to taste (reserve the rest for garnish). Slice the **fried chicken** and serve over the **curry sauce** with the **rice**, **carrot** and **cucumber** ribbons alongside. Garnish with the remaining **lime wedges**.

Tip! If cooking for kids, serve the plain rice, cucumber ribbons, carrot ribbons and sliced chicken separately. Serve the sauce and black sesame seeds as 'sprinkles' to the side.

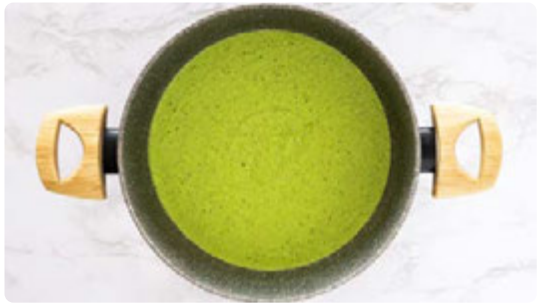
1. Bake tofu and mushrooms

Preheat the oven to 200°C/220°C fan. Cut the **mushrooms** into quarters. Drain and dry **tofu** with a paper towel and cut into cubes. In a large bowl add the **tofu**, mix with half the **soy sauce** and the **corn starch**. Place the **mushrooms** and **tofu** on a lined baking tray. Mix the remaining **soy sauce** with the **mushrooms**. Drizzle both with **oil** and sprinkle with the **sesame seeds**. Bake for 15 minutes. After 15 minutes remove the **mushrooms** from the oven, return the **tofu** to the oven and bake for a further 10-15 mins until crispy.

2. Prep veg



Meanwhile, peel and dice the **onion**. Finely chop the **broccoli** (discarding the woody end). Finley slice the **chilli** and **spring onion**. Roughly chop the **coriander** leaves and stems.

Tip! If cooking for for 2, just use half of the onion. Sensitive to spice? Deseed the green chili and use only a small amount.

5. Soak noodles

Meanwhile, add the **rice noodles** to a bowl or pot and cover with boiling water. Stir once and then cover with a lid or cling film Leave to soak for 4-5 min. Drain once tender and rinse with cold water. Toss the **noodles** in a small amount of **oil** to prevent them sticking together.

Tip! The noodles want to have a little bite as they will continue to cook in the soup.

6. Serve

Divide the soup amongst bowls, add the **noodles**, **tofu** and **mushrooms**. Top with **coriander** leaves, **spring onions** and **crispy onions**. Cut the **lime** into wedges and squeeze over the **lime** juice

1. Prep

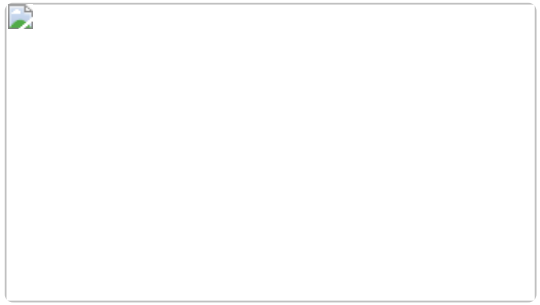
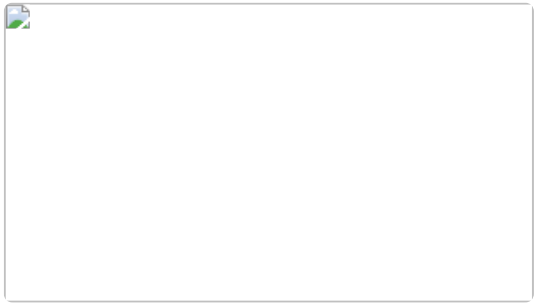
pre-heat the oven to 180°C. Grease and line with parchment paper a 9x5" loaf pan. In a mixing bowl, whisk **flour**, **corn starch**, **baking powder**, and **salt**. Set aside.

2. Make lemon sugar



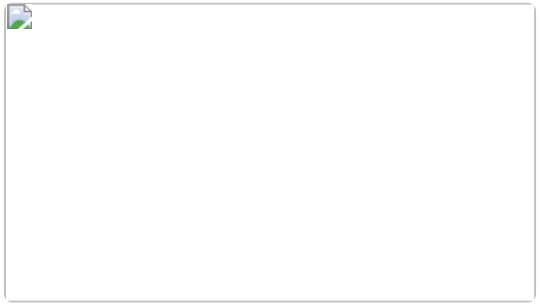
Zest the **lemons**, then squeeze the juice in a small bowl. In another large bowl, add the **sugar** and **lemon** zest. Using your hands, rub the **sugar** and the **lemon** zest together.

Tip! The sugar crystals will help the lemon release its natural oils and flavors, which will make the loaf extra zesty!



3. Mix wet ingredients

Mix the melted **butter**, oil, and **sour cream**, mix to combine. Use a hand mixer, or a stand mixer to beat the mixture for 90 seconds, until well incorporated and creamy. Add the **eggs**, one at a time, mixing one egg fully until incorporated before adding the next one. Scrape the bowl in between with a spatula. Add the **lemon** juice to the bowl. Mix until incorporated.



4. Mix dry ingredients

Pour half of the **flour** mixture into the bowl. Mix on low to combine. Add the remaining **flour** and **blueberries** to the batter, and stir to combine. You can finish mixing by hand to avoid over mixing.

5. Bake

Pour the rest of the batter that's mixed in with the **blueberries** on the loaf pan. Spread with a spatula. Bake in the pre-heated oven for 55 to 60 minutes, until a toothpick comes out clean when inserted in the cake. Cool for 20 minutes then lift the parchment paper to remove the bread, and transfer to a cooling rack or plate.

6. Make glaze

In a bowl, beat the **cream cheese** and **butter** together for 30 seconds. Add the powdered **sugar** and 1 TBSP **lemon** juice. Beat until creamy and fluffy. Spread the glaze on top of the bread. Garnish with some extra **blueberries** and **lemon** zest.

1. Butterfly salmon

Pat the salmon dry and portion it. Using a sharp knife, make a deep incision along each salmon **fillet**, length ways. The intact salmon skin should function as the book's spine.

2. Prep vegetables

Meanwhile, heat a pan over a medium heat with a drizzle of **olive oil**. Once hot, add the salmon **fillets** and cook for 2-3 min on either side until cooked through but juicy on the inside. Transfer to a plate and set aside.

5. Make sauce

Return the pan to medium heat with a second drizzle of **olive oil**. Add the **shallots**, **garlic** and a pinch of **salt**. Cook for 1-2 min. 1. Make garlic yogurt

Peel and crush the **garlic** into a small microwavable bowl. Add the **olive oil**. Warm the **oil** in the microwave for 30 seconds until sizzling (alternatively heat the **oil** in a pan instead). Add the **Greek yogurt** to the **oil**, season with a pinch of **salt** and set aside (don't refrigerate - serve at room temperature).

Vegetable oil, Olive oil, Salt & Black Pepper

Ingredients

for 4 servings

Zaatar Cod	
Cod fillet 6*	700 Grams
Zaatar	20 Grams
Olive oil	2 Tbsp
Salt	1 Tsp
Lemon	1 Piece

Salad	
Cherry tomatoes	300 Grams
Large green chilli	2 Piece
Walnuts 2*	60 Grams
Sumac	4 Grams
Fresh zaatar	20 Grams
Pomegranate molasses	40 Grams

Herby rice	
Spring onion	80 Grams
Fresh parsley	15 Grams
Long grain rice	300 Grams
Olive oil	2 Tbsp
Salt	1 Tsp

Allergens: *6 Fish, *2 Tree Nuts

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat the oven to 200°C/180°C fan. Slice the **cherry tomatoes** in half. Finely slice the **green chilli**. Trim and finely slice the **spring onions**. Pick and finely chop the **parsley**. Heat a pan over a medium heat. Once hot, add the **walnuts** and toast for 1 min until slightly browned and fragrant. Once toasted remove from the pan and set aside. Wipe and reserve the pan.

Tip! Sensitive to spice? Carefully remove the seeds of the green chilli, if you prefer a milder flavour.

2. Boil rice

Bring a pan of salted water to a boil. Once boiling , add the **rice**, **spring onions** and **parsley**. Boil for 4-5 min (the **rice** should to be half cooked). Drain and set aside. Reserve the pan for the steaming of the **rice**.

Tip! Strapped for time? Skip the steaming step, just boil the herby rice for an extra 5 min and drain once fully cooked.

3. Bake fish

In an oven proof baking dish combine the **zaatar** with a drizzle of **olive oil**. Pat the **cod** down with kitchen paper. Add the **fish** to the same baking dish and coat with the **zaatar** mix, sprinkle over half of the **sumac** (retaining the rest for step 5) and season with **salt**. Bake for 10-12 min, or until fully cooked.

Tip! Did you know that rinsing fish with either salt, citrus, or milk helps neutralise odour's and produces a fresher, purer tasting fish?

4. Finish rice

Place the reserved pan on a medium high heat with a drizzle of **oil**. Once hot, add the boiled **rice** and **herb** mix with a pinch of **salt**. Mix well and toast for 1-2 min. Turn the heat down to low and cover. Steam the **rice** for 10 min with the lid on throughout. Once cooked, keep the lid on and set aside.

Tip! Steaming the rice after parboiling allows for the rice to get really soft and fluffy.

5. Make salad

Meanwhile, slightly crush the **walnuts**. Pick and roughly chop the **fresh zaatar**. In a large bowl combine the **walnuts**, **cherry tomatoes**, **green chilli (spicy!)**, **sumac** and **fresh zaatar** (reserve some for garnish). Mix well and drizzle with the **pomegranate molasses**.

Tip! Sensitive to spice? Go easy on the chilli or keep it on the side.

6. Serve

Slice the **lemon** into wedges and squeeze the juice over the **cod** to taste. Divide the **herby rice** and **salad** among plates. Place the **cod** alongside and garnish with the remaining **fresh zaatar**.

2. Mix dry ingredients

- In a large bowl, sift the **flour**, **baking powder**, **baking soda**, **cinnamon**, **ginger**, **nutmeg**, and **salt**.

- Add and whisk in the melted **butter**, **vegetable oil**, and **vanilla**.

1. Fillet and marinate fish

Pat the **fish** dry with kitchen paper, and place on a board, skin-side down. Hold the tail end down with a fork, angle the knife blade down, and slice the flesh away from you. Discard the skin. Cut the **fish** into bite-sized pieces and place on a plate. Using a box grater or zester, grate the **lime** zest over the **fish**, taking care to avoid its bitter white pith. Cut the **lime** in half and squeeze half the juice over. Keep the **fish** chilled until step 5.

Tip! Using a long, sharp, and flexible knife makes filleting fish much easier.

2. Prep

Meanwhile, peel and finely chop the **red onion**. Deseed and slice the **red pepper** into strips. Slice the **tomatoes** into wedges. Peel and finely slice the **garlic**. Thinly slice the **red chilli**.

Tip! Sensitive to spice? Deseed the red chilli and use only a small amount.

3. Make cauliflower rice

Using a box grater or food processor, grate or blitz the **cauliflower** until it resembles rice grains. Heat a pan over a medium heat with a drizzle of **oil**. Once hot, add the **garlic** and cook for 1 min until fragrant and golden. Add the **cauliflower** with a pinch of **salt** and stir-fry for 5 min.

4. Make stew

Meanwhile, bring a pot over a medium-high heat with a drizzle of **oil**. Once hot, add the **onions**, **red peppers**, **red chilli** (spicy!), and a pinch of **salt**. Fry for 3-5 min until softened. Add the **tomatoes**, **tomato paste**, **cumin**, **paprika**, and cook for 2-3 min further. Add the **coconut milk**, **chicken stock cube**, and **measured water**. Reduce the heat to medium and simmer for 5 min further.

5. Add fish

Meanwhile, pick and finely chop the **coriander** leaves. Add the marinated **fish** to the **stew** and gently simmer for 3-4 min or until it is cooked through. Add in the **coriander** leaves and another squeeze of **lime** juice. Stir, and turn off the heat.

6. Serve

Serve the **coconut fish stew** alongside the **garlic cauliflower rice**. Garnish with any remaining **coriander** and **lime**.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Boil the **measured water**. Add the **mushroom stock cube** and boiled water to a jug and set aside. This is your **mushroom stock**. Peel and finely chop the **onion**. Peel and mince the **garlic**. Clean the **mushrooms** with a cloth, knife or brush (don't wash them with water) and roughly chop or tear the **mushrooms**.

2. Start risotto

Heat a large pot or pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **mushrooms** and fry for 5-6 min or until browned. Once softened, add the **onion** and **butter** and cook for 3 min further. Add the **garlic** and **Arborio rice** and cook for 1 min further, stirring to coat the grains in the **oil**.

3. Simmer

Reduce the heat to medium and add 1/3 of the **mushroom stock**. Stir continuously until it has absorbed. Continue to add the **stock**, a little at a time for 20 min or until all the **stock** is absorbed and the **rice** is cooked 'al dente' – this is your **risotto**.

Tip! The amount of stock you will require, depends on the size of your pan and the heat over which you simmer the risotto. Make sure to adjust the amount accordingly.

4. Finish risotto

Meanwhile, finely chop the **parsley** leaves. Once the **risotto** is cooked remove from the heat and add the **grated Parmesan**, half of the chopped **parsley** (reserve the rest for garnish) and a squeeze of **lemon** juice to taste. Season with **salt** and **pepper** and mix well.

5. Serve

Divide the **risotto** among bowls and garnish with the remaining **parsley**.

Tip! Can't handle the heat? Go easy on the chilli flakes.

3. Prep stuffing

- Finely chop the **jalapeno slices**.
- In a small bowl, combine the chopped **jalapeno** and the **cream cheese**.
- Mix well and set aside.

4. Bake chicken

- Once the **peppers** have baked for 10 min, spoon the **jalapeno cream cheese** stuffing into the **pepper halves**.
- Divide the **grated cheddar** on top and finally sprinkle with the **panko bread crumbs**.
- Drizzle with **oil**.
- Add the marinated **chicken** onto the tray alongside the **peppers**.
- Bake for 15 min further or until the **chicken** is cooked through and the **stuffed pepper** tops are crispy and golden.

Tip! A drizzle of vegetable oil helps the bread crumbs to crisp up nicely.

5. Prep salsa

- Meanwhile, chop the **cucumber** to small cubes.
- Drain the **sweet corn**.
- Pick the **coriander** leaves and roughly chop them.
- In a large bowl, combine the **cucumber**, **sweet corn** and **coriander**.
- Slice the **lime** in half.
- Add the juice of one **lime** half to the bowl and toss.
- Slice the remaining **lime** into wedges.

Tip! For a slightly drier salsa, halve the cucumbers lengthwise. Scoop out and discard the watery core, using a small spoon.

6. Serve

- Once the **chicken** is cooked, let it rest for 5 min before slicing.
- Serve the **Cajun Chicken** with the **Cheesy Peppers** and the **Cucumber Corn Salsa**.
- Garnish with the remaining **lime** wedges.

Tip! The resting of the chicken sets the meat's juices and allows the fibres to relax, leaving the end result more tender and your plate less messy.

1. Prep

Preheat the oven to 200°C/ 180°C fan. Bring a pot of salted water to the boil. Cut narrow slices (about 0.5 cm) into the **potatoes**, making sure not to cut all the way down to the base – these are your **Hasselback potatoes**. Add the **potatoes** to the pot and boil gently for 8 min. Drain. Meanwhile, roughly chop or tear the **mushrooms**. Chop the **parsley** leaves. Peel and mince the **garlic**.

Tip! Rest the potatoes in the hollow of a wooden spoon when cutting, it will prevent you from cutting all the way through the potato!

4. Make sauce

Return the pan to a medium-high heat with a drizzle of **oil**. Add the **mushrooms** and fry for 6-7 min. Add the **garlic** and fry for 1 min further. Add the **measured water**, crumbled 1 **stock cube**, **cooking cream** and **black pepper** to the pan. Simmer for 3-4 min or until the sauce has thickened. Remove from the heat and stir in the **truffle oil** and half of the **parsley** (reserve the rest for garnish). Set aside and keep warm.

Tip! Truffle is a strong flavour - add it gradually, tasting in between until it's perfect for you!

2. Bake potatoes

Once drained, add the **Hasselback potatoes** slit-side up to a lined baking tray and drizzle with **oil**. Bake for 45 min or until the insides are fork tender and the outsides are golden and starting to crisp.

Tip! Cooking time will vary depending on the size of the potatoes and your appliances. Keep an eye on them, and if they are browning too quickly cover them with foil, so they can cook through without burning.

5. Boil broccoli

Meanwhile, cook the **broccoli** in lightly salted boiling water for 5 min or until tender. Drain once cooked.

Tip! Alternatively, add the broccoli to the baking tray with the steaks, drizzle with oil and sprinkle with salt. Cook for 8-10 min until tender but crisp.

3. Fry steak

When the **potatoes** have 20 min left, pat the **steaks** dry with kitchen paper, rub them with **oil** and season with **salt**. Heat a large pan over a high heat. Once very hot, add the **steaks** and fry them for 3 min on each side. Place on a baking tray and finish cooking them in the oven for 8-10 min or until cooked to your liking. Transfer the **steaks** to a plate (reserve the pan!) and leave them to rest for 10 min. Once rested, season generously with **salt** and **pepper**.

6. Serve

Divide the **potatoes** between plates and top with the **butter**. Garnish with the remaining **parsley**. Serve the **steaks** alongside the **mushroom sauce** and **broccoli**. Sprinkle the **flaky sea salt** over the **potatoes** and **broccoli**.

Vegetable oil, Olive oil, Salt & Black Pepper

Ingredients

for 4 servings

Kofta	
Lean beef mince	700 Grams
Fresh parsley	15 Grams
Garlic onion powder	8 Grams
Coriander cumin powder	8 Grams
Smoked paprika powder	4 Grams
Olive oil	2 Tbsp
Soy sauce 9*,10*,11*	40 ML
Black pepper	1 Tsp

Quinoa	
White quinoa	200 Grams
Water	400 ML
Mushroom stock cube	1 Piece

Tzatziki	
Garlic cloves	2 Piece
Cucumber	2 Piece
Natural yogurt 4*	340 Grams
Salt	1 Tsp

For bowls	
Tomatoes	3 Piece
Baby gem lettuce	3 Piece

Allergens: *9 Soya, *10 Wheat, *11 Gluten, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Boil quinoa

Add the **quinoa** to a large bowl, cover with warm water and rinse. Drain in a fine sieve. Add the **measured water**, drained **quinoa** and the **stock cube**. Bring to a boil. Cover with a lid, reduce the heat to low and simmer for 15-20 min or until the liquid is absorbed and the **quinoa** is tender.

Tip! Rinsing quinoa with warm water before cooking increases its flavour by removing the bitter taste.

2. Prep kofta

Meanwhile, pick and finely chop the **parsley**. In a large bowl, combine the **beef mince**, **garlic onion powder**, **coriander cumin powder**, **smoked paprika**, **olive oil**, **soy sauce** and **pepper** with the **parsley**. With clean hands, knead the mixture until fully combined. Shape into 20 **koftas** and set aside.

Tip! Coat your hands in oil or water before shaping the koftas; this way the mixture won't stick to your hands.

3. Make tzatziki

Peel and mince the **garlic**. Grate half of the **cucumbers** (reserving the rest for serving) with fine blade, then carefully squeeze out any excess water. In a small bowl, combine the **garlic**, **grated cucumber** and the **yogurt**. Season with a pinch of **salt** to taste. Mix well and set aside.

Tip! Go easy on the raw garlic, if you find the taste too punchy.

4. Prep bowls

Chop the **tomatoes** into small cubes. Slice the reserved **cucumber** into thin slices. Trim the **baby gem lettuce** and chop into strips.

5. Fry kofta

Heat a large pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **koftas** and fry for 5-7 min, turning occasionally, until cooked through and nicely browned.

Tip! If the pan is looking crowded, fry the koftas in batches. This will stop them from stewing, rather than frying.

6. Serve

Combine the chopped **tomatoes** with the cooked **quinoa** and toss. Divide the **quinoa** and **tomato mix** among shallow bowls. Top with the **beef koftas**, **lettuce**, **cucumber** and a dollop of **tzatziki**.

Tip! If cooking for kids, serve the kofta, quinoa, cucumber, tomatoes and lettuce separately. Serve a bit of tzatziki on the side.

- Slowly stir in the **200ml cooking cream**.
- Add the **fish** and **dill** to the **chowder**, give it a mix, and gently poach the fish for 2-3 min until flakey and cooked through.
- Turn off the heat and set the pot aside.

6. Serve

- Serve the **Creamy Fish Chowder** topped with **Crispy Bacon** and the **Red Pesto Crostinis** on the side.

Allergens: *4 Milk, *15 Celery

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Peel and finely chop the **red onion**. Peel and mince the **garlic**. Finely chop the **green chilli**. Bring a pot of salted water to a boil.

2. Boil rice

Add the **basmati rice**, a pinch of **salt** and the **measured water** to a pan with a lid and bring to boil over high heat. Once boiling, reduce heat to low, cover, and cook for 10-12 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pan from the heat and keep covered until serving. Fluff with a fork before serving.

1. Prep

Trim the broccoli florets and cut into bite-sized pieces. Peel and finely chop the **onion**. Peel and finely chop the **garlic**. Roughly chop the **sun dried tomatoes**. Pick the **basil** leaves.

Heat a non-stick pan over a medium-high heat with a drizzle of **olive oil**. Once hot, add the **chicken breasts** with a pinch of **salt** and cook for 5-7 min on either side until golden and cooked through. Slice the cooked **chicken** thinly.

2. Prep

Meanwhile, peel and mince the **garlic**. Peel and finely slice the **shallots** (see pro tip). Roughly chop the **sun-dried tomatoes**. Halve the **cherry tomatoes**. Drain and tear the **mozzarella** into bite-size pieces. Pick the **mint** leaves.

3. Make dressing

Add the **garlic** (don't like raw **garlic**? Go easy!), **shallots**, **olive oil**, **mustard**, **balsamic vinegar**, **honey**, **salt** and **black pepper** to a jar or bowl. Whisk or shake until fully combined - this is your **dressing**.

Tip! Make the dressing a few hours ahead, this will lessen the shallots' harsh flavour.

4. Toast almonds

Toast the **almond flakes** in a hot, dry pan for 2 min or until starting to brown. Set aside.

5. Toss

Place the **rocket**, **Kalamata olives**, **cherry tomatoes**, **sun dried tomatoes** and **mint** leaves in a large bowl and drizzle with the **dressing**. Toss.

6. Serve

Arrange the **salad** among plates, top with the sliced **chicken breast**, dot with the torn **mozzarella** and garnish with the **almond** and **chilli flakes** (spicy!).

1. Fillet and marinate fish

Pat the **fish** dry with kitchen paper, and place on a board, skin-side down. Hold the tail end down with a fork, angle the knife blade down, and slice the flesh away from you. Discard the skin. Cut the **fish** into bite-sized pieces and place on a plate. Using a box grater or zester, grate the **lime** zest over the **fish**, taking care to avoid its bitter white pith. Cut the **lime** in half and squeeze half the juice over. Keep the **fish** chilled until step 5.

Tip! Using a long, sharp, and flexible knife makes filleting fish much easier.

2. Prep

Meanwhile, peel and finely chop the **red onion**. Deseed and slice the **red pepper** into strips. Slice the **tomatoes** into wedges. Peel and finely slice the **garlic**. Thinly slice the **red chilli**.

Tip! Sensitive to spice? Deseed the red chilli and use only a small amount.

3. Make garlic rice

Rinse and drain the **rice**. Heat a pot with a lid over a medium heat with a drizzle of **oil**. Once hot, add the **garlic** and cook for 1 min until fragrant and golden. Add the **rice**, a pinch of **salt** and the **measured water** and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 10-12 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pot from the heat and keep covered until serving.

Tip! Keep a close watch on the garlic as it could easily burn!

4. Make stew

Meanwhile, bring a pot over a medium-high heat with a drizzle of **oil**. Once hot, add the **onions**, **red peppers**, **red chilli** (spicy!), and a pinch of **salt**. Fry for 3-5 min until softened. Add the **tomatoes**, **tomato paste**, **cumin**, **paprika**, and cook for 2-3 min further. Add the **coconut milk**, **chicken stock cube**, and **measured water**. Reduce the heat to medium and simmer for 5 min further until thickened.

5. Add fish

Meanwhile, pick and finely chop the **coriander** leaves. Add the marinated **fish** to the **stew** and gently simmer for 3-4 min or until it is cooked through. Add in the **coriander** leaves and another squeeze of **lime** juice. Stir, and turn off the heat.

6. Serve

Serve the **coconut fish stew** alongside the **garlic rice**. Garnish with any remaining **coriander** and **lime**.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Roast

Preheat the oven to 200°C/180°C fan. Peel and chop the **sweet potatoes** into bite-sized pieces. Deseed and chop the **pepper** into large chunks. Add the **sweet potatoes** and **peppers** to a lined baking tray. Drizzle with **oil** and season with a generous pinch of **salt**. Roast for 25 min or until all the ingredients are nicely roasted.

Tip! If you are cooking for 3 or 4, you might wish to use two trays.

2. Boil quinoa

Meanwhile, add the **quinoa** to a bowl, cover with warm water and rinse. Drain in a fine sieve. Add the **measured water** to a pot and bring it to a boil. Add the **quinoa** and 1 **stock cube**. Reduce the heat, cover and simmer for 15 min or the **quinoa** is tender. Drain any excess liquid. Drain and rinse the **black beans**. Once the **quinoa** is cooked, stir through the **black beans**. Keep covered until ready to serve.

Tip! Rinsing quinoa with warm water before cooking increases its flavour by removing the bitter taste.

3. Prep dressing

Meanwhile, peel and roughly chop the **garlic**. Roughly chop the **spring onion** and the **parsley**. Slice the **lemon** into wedges.

Tip! You might wish to store your lemons at room temperature, rather than in the fridge - that way they are much juicier.

4. Blend dressing

Add the **garlic**, **spring onion**, **parsley**, **tahini**, **measured water**, **olive oil**, the juice of 3/4 of the **lemons**, half of the **maple syrup**, and a pinch of **salt** to a blender or a food processor. Blend into a smooth **dressing**. Adjust the taste to your liking, with more **lemon juice**, **maple syrup** and/or **salt**.

5. Prep toppings

Trim and chop the **baby gem lettuce** into strips. Roughly chop the **walnuts**.

6. Serve

Serve the **quinoa** and **black beans** topped with the roasted **sweet potatoes** and **peppers**. Add the **baby gem lettuce** and drizzle generously with the **herby tahini dressing**. Garnish with the chopped **walnuts** and any remaining **lemon wedges**.

- Peel and finely chop the **onions**. Peel and chop the **carrots** into small bite-sized pieces.

1. Roast vegetables

Preheat the oven to 220°C/200°C fan. Slice the **potatoes** and **eggplant** into approx 0.25cm thick long vertical slabs. Place the **potatoes** at the bottom of a baking tray. Add the **eggplant** on top. Drizzle with **olive oil** and season with **salt** and **pepper**. Roast for 25 min until the **potatoes** are fork tender and halfway cooked through.

2. Prep

Meanwhile, peel and finely chop the **onion** and **garlic**. Pick and finely chop the **parsley**.

3. Cook lentils

Heat a large pan over a medium heat with a drizzle of **olive oil**. Add the **onion** and fry for 3-5 min until softened. Add the **garlic** and **lentils** and fry for 5 min until browned. Add the **tomato paste** and fry for 1-2 min further. Add the **stock cube**, **oregano**, **cinnamon**, **allspice**, **measured water**, and **black pepper**. To serve	
Cucumber	1 Piece
Cherry tomatoes	150 Grams
Fresh parsley	15 Grams
Pitta bread **4*,5*,9*,10*,11***	3 Piece
Avocado	1 Piece
Zaatar	5 Grams

Allergens: *5 Eggs, *4 Milk, *9 Soya, *10 Wheat, *11 Gluten

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

- Bring a small pot of lightly salted water to the boil.
- Slice the **cucumber** into 1cm thick slices.
- Halve the **cherry tomatoes**.
- Pick and finely chop the **parsley** leaves.
- Peel and mince the **garlic**.

Tip! Preheat your oven to 200°C/180°C fan if you don't want to use the microwave for the pitta bread.

2. Make lemon yogurt

- Slice the **lemon** into wedges.
- In a large bowl, whisk together the **yogurt** with a squeeze of **lemon** juice to taste (reserve any remaining wedges to use in step 5).
- Season with **salt** and **pepper** to taste, and set aside.

Tip! Feeling fancy? Zest the lemon before slicing and add the zest to the yogurt for extra freshness.

3. Make sumac butter

- Place a separate small pot over a medium heat.
- Add the **garlic**, **butter**, **smoked paprika** and **sumac** with a pinch of **chilli flakes (spicy!)**.
- Once the **butter** has melted, let it simmer on medium-low for 4-5 min and then remove from the heat.

Tip! Sensitive to spice? Go easy on the chilli flakes.

4. Poach eggs

- Meanwhile, once the water is boiling, reduce to a medium heat.
- Add the **vinegar** and swirl.
- Gently crack the **eggs** one at a time directly into the water (or crack into a small bowl or cup first).
- Poach the **eggs** for 3 min for a soft centre (4-5 min for medium and 5-6 min for hard) or until your liking.
- Drain on paper towel.

Tip! Vinegar in the water helps the eggs retain their poached shape. Occasionally swirl the water to avoid sticking. Careful not to overcrowd the pot.

5. Finish

- Meanwhile, microwave the **pitta bread** for 30 sec or until warmed through.
- Cut the **avocado** in half and remove its stone.
- Scoop the **avocado** out of its skin using a spoon and chop it into chunks.
- In a small bowl, add the **parsley** (reserve some for garnish), the **avocado** with a squeeze of the **lemon** juice.

Tip! For a crispier bread, bake in the preheated oven for 3-5 min.

6. Serve

- Divide the **lemon yogurt** among bowls, top with the **poached eggs**, **avocado** and generously drizzle over with the **sumac butter**.
- Garnish with the remaining **parsley** and finish off with a sprinkle of **zaatar**.
- Serve the **pitta bread**, **cucumbers** and **cherry tomatoes** alongside.

Tip! Don't be shy with the butter - this where all the balance and flavour of the dish comes from. The bread then comes in and soaks up all the deliciousness.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep vegetables

Preheat the oven to 180°C/160°C fan. Peel and finely chop the **onion** and **carrots**. Peel and finely chop the **celery** and **garlic**. Pick and roughly chop the **parsley** leaves.

Tip! It is very convenient to chop all your vegetables first. This way, you are done with the chopping board all at once.

2. Prep meatballs

Add the **beef mince**, **garlic**, **bread crumbs**, **eggs**, chopped **parsley**, half of the chopped **onions** (reserving the rest for step 5) and the **black pepper** to a large bowl. With clean hands, knead until all the ingredients are fully combined. Divide the mixture into 20 pieces and shape each piece into a meatball.

Tip! Coat your hands in oil or water before shaping the meatballs; this way the mixture won't stick to your hands. Or, use rubber gloves, if you prefer.

3. Fry meatballs

Heat a non-stick pan over a medium-high heat with a drizzle of **oil**. Once hot, add the meatballs and fry for 2 min or until browned. Transfer the pan to the oven and bake the meatballs for 6-7 min.

Tip! If your pan has any plastic parts, you will have to transfer the meatballs to an oven-safe recipient.

4. Boil gnocchi

Meanwhile, bring a pot of **water** to a boil, and add a drizzle of **olive oil** into the **water**. Add the **gnocchi** and boil for 3-5 min or until the **gnocchi** is cooked through. Reserve 160/320 ml of cooking **water** (see step 5), otherwise drain the **gnocchi**.

5. Cook vegetables

Transfer the meatballs to a plate, and return the pan to medium-low heat (without washing the pan). Add a drizzle of **oil**, and the **celery**, **carrot** and the remaining **onion**. Once slightly caramelised, add the reserved **gnocchi** cooking **water** (and wait until it evaporates? Or, bring to a boil?) Add the **spinach** and mix with the rest of the vegetables until cooked.

Tip! If cooking for kids, keep the vegetables on the side before going onto the next step. This way, a smaller amount can be added later while serving.

6. Add and serve

Add the cooked and drained **gnocchi** and the **meatballs** to the pan. Finally, add the **butter** and let the **gnocchi** golden up slightly.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep dried lemon

Rinse the **dried lemons**. With one hand, hold tightly and using a fork, gently pierce holes through the hard shell several times all the way around.

> **Tip!** Piercing the dried lemons will help them soften and infuse their flavour better while braising in the stew.

2. Prep herbs

Pick the **spinach leaves**, discarding the woody stalks and ends. Gather the **spinach leaves**, **fresh** parsley, and **fresh coriander** (stems included) in a tight bunch, and chop as finely as possible. Peel and finely chop the **red onion**. Trim and finely chop the spring **onion**.

3. Make stew

Drain and rinse the **kidney beans**. Heat a large pot over medium-high heat with **olive oil**. Add the chopped **herbs** and **onions** with a pinch of **salt**. Fry for 8-10 min until they have greatly reduced in volume and turned into a dark green colour. Add the **turmeric**, **dried lemon**, **dried mint**, and **fenugreek**, and fry for 1-2 min further. Add the pulled **beef**, **kidney beans**, **stock cube**, and the **measured water**. Cover and simmer on medium heat for 20-25 min.

> **Tip!** Prefer a thicker stew? Use Tip #6!

4. Cook rice

Meanwhile, rinse and drain the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 12-14 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pot from the heat and keep covered until serving.

5. Make salad

Slice the **cucumber** into small bite-sized pieces. Trim the radish ends and thinly slice into half moons. Pick the **mint leaves**. Slice the **lime** in half. In a bowl, mix the **cucumber**, radish, **mint**, a squeeze of **lime** juice, a pinch of **salt**, and a drizzle of **olive oil**. Toss to combine.

6. Serve

Finish the **stew** with a squeeze of **lime**. Divide the **rice** and **stew** amongst bowls and serve with the **yogurt** and **salad** alongside.

> **Tip!** If the stew is too watery to your liking, make a cornstarch slurry, and add it towards the end of cooking. Mix 1 tsp of cornstarch and 4 Tbsp of cold water in a small bowl until lump free. Add the slurry to the stew and cook on high for 1 min until the sauce thickens.

1. Prep

Preheat the oven to 220°C/200°C fan. Drain and chop the **artichoke** into small bite-sized pieces. Chop the **cherry tomatoes** in half. Trim and finely chop the **spinach**. Pick and chop the **basil** leaves, reserving some whole for garnish.

1. Prep

Preheat the oven to 220°C/200°C fan. Preheat your baking trays. Peel and finely **slice** the **red onions**. Strip and finely chop the **thyme** leaves. Peel and mince the **garlic**.

Tip! Remove the pizza dough at least 10 min before cooking; allowing the dough come to room temp makes it easier to roll out.

2. Caramelise onion

Ingredients

for 4 servings

Hollandaise	
Mayonnaise 5*,9*,13*	100 Grams
Dijon mustard 13*	24 Grams
Lemon	1 Piece
Cayenne powder	2 Grams
Butter 4*	50 Grams
Organic Eggs 5*	1 Piece
Black pepper	0.5 Tsp

Allergens: *5 Eggs, *9 Soya, *13 Mustard, *4 Milk

1. Melt butter

Slice the **lemon** into wedges. Crack the **egg** into a small bowl and discard the **egg white**. In separate small bowl, using a microwavable bowl, melt the **butter**.

Tip! Using clean and dry hands, gently scoop the egg with your four fingers (index to pinky) and in a rocking motion, sway the egg between your left and right hand - leaving slight gaps between your fingers so that the egg white falls through and separates from the egg yolk.

2. Make hollandaise

In a large bowl, using a whisk, combine the **mayonnaise**, **dijon mustard**, pinch of **cayenne pepper (spicy!)** with a squeeze of **lemon** juice. Add the **egg yolk** with a tablespoon of **melted butter** and whisk vigorously until well combined and emulsified. Slowly add a tablespoon of **melted butter** at a time, ensuring that it is well combined with each addition. Season with **pepper** to taste.

Tip! Emulsification in cooking terms, means to combine ingredients very well so that the end result doesn't become curdled.
